

4935 N 30th St, Suite 100, Colorado Springs CO 80919

Ascend Physical Therapy is looking for a part or full time physical therapist to join our growing outpatient clinic in Colorado Springs! Completion of at least 2 IPA courses, potential interest in certifying in FMT and in visceral manipulation are preferred but not required. New grads are welcome!

We are Looking for a PT who shares our values:

We value hands on and individually tailored treatment for our patients, motivated problem solvers who work to provide success with patients and resolve the root of the problem, and good communication skills with patients and to encourage a positive and productive working environment. We value clinicians who are open to integration of novel techniques to their treatment repertoire, who enjoy building and sharing their specific skill set with others, and are interested in life-long learning. We value a sense of humor and a “glass half full” attitude in our professional and personal lives.

Why you should join our team:

- We are a small business that is active in our beautiful Colorado Springs community.
- Exclusively 1:1 treatment sessions, 45-60 minutes
- Flexible schedule, days and times largely determined by applicant
- We have a laid-back yet supportive tight-knit team.
- Continuing education reimbursement, partial medical benefits reimbursement, generous PTO

We work with a variety of patient diagnoses and abilities, with a focus on orthopedics. This position includes the expected conditions of any good therapist, including but not limited to: organized with time-management skills, timely documentation, HIPAA compliant, accurate evaluation and treatment techniques, is comfortable participating in general office operations within a small clinic, and holds a CO PT license and CPR certification.
