

Functional Physical Therapy, Boulder, CO

Full time PT opportunity with a primary IPA instructor in Boulder, CO IPA Manual therapy based outpatient physical therapy clinic is seeking a full time PT who is highly motivated to join a team of clinicians in a company that emphasizes individualized patient care. Applicant's focus should be on providing exceptional patient care as well as developing clinical skills through continuing education with a manual therapy focus. Professional development is emphasized through continuing education and dedicated in-service time. Clinic director and staff take a large amount of CE classes and staff is encouraged to continue learning through courses and mentorship.

One on one patient care is a critical component and all treatments are provided with one on one focus with the therapist without overlapping patients. Patient population includes the highly motivated athletic Boulder community as well as professional athletes.

- Work as part of a two-clinic team which includes 1 primary IPA faculty who is a Fellow with IPA and AAOMPT, 2 CFMTs, and 2 others working toward certification.
- Benefits include medical insurance, Simple IRA with a match, Paid Time Off, continuing education financial support, and approximately 4 hours per month of direct mentorship with lots of casual clinical discussions
- Treatment Model is 1:1 patient care with no aides or PTAs
