

Novo Physical Therapy

Full-Time and Part-Time Physical Therapist

Novo Physical Therapy is a privately owned out-patient clinic located in Midlothian Texas (25 min south of Dallas and 30 min East of Fort Worth). We are a clinic that uses the FMT approach to patient care to help each patient reach their potential. We have an immediate opening for in our clinic for part-time or full-time therapist. Looking for a therapist with manual background and passion for seeing patients improve.

Novo is a small clinic with a welcoming and positive atmosphere. Patients are seen primarily one on one. Patient treatment sessions are either 45- 60 min sessions. Clinic hours are flexible (7am-7pm), and therapist has majority control in setting own schedule. Therapist will be paid on a per visit basis and will have greater independence in deciding how many patients they want to see. Mentorship is available and it is encouraged for all therapists to work in collaboration to make sure the patients receive the best treatment possible. We have a friendly and supportive work environment where healing is a priority.

Minimum Qualifications:

- Recommend that the candidate complete at least 3 IPA courses
- Experience is preferred, but new/recent grads will be considered if they have clinical training in manual therapy (Functional Manual Therapy preferred)
- Valid PT license in the state of Texas
- Graduation from an APTA approved school (BS, MS, or DPT)
- Commitment to core values and able to complete all job requirements such as timely treatments of patients and note completion; good communication with staff, doctors and patients; dedicated to always learn more for benefits of the patients.
