

Outstanding opportunity with a primary IPA instructor in Fairfax, VA

Manual therapy based outpatient physical therapy clinic is seeking a full time PT who is highly motivated to join a dynamic team of clinicians in a company that values individualized patient care. Applicant's focus should be on providing exceptional patient care as well as developing clinical skills through continuing education with a manual therapy focus. Professional development is emphasized. Clinic director and staff take a large amount of CE classes and staff are encouraged to continue their learning through courses and mentorship.

One on one patient care is a critical component and all treatments are provided with one on one focus with the therapist without overlapping patients.
