

***Beyond Basics Physical Therapy* in New York City is looking for a PT.**

We are primarily a pelvic floor practice, but also see orthopedic cases, pediatrics (pelvic floor), and complex abdominal pain cases, to name a few. This case load offers the clinician the unique opportunity to put together manual orthopedic treatment, visceral mobilization, patient education, problem solving, and critical thinking skills, as well as collaborate with other practitioners. Please see the ad below for more details and feel free to contact us for more information.
