

VIRGINIA CENTER FOR SPINE & SPORTS THERAPY

The Virginia Center for Spine & Sports Therapy

Richmond, Virginia

We are seeking a dynamic Certified Functional Manual Therapist with experience working with a variety of diagnoses and populations from pediatrics to geriatrics and competitive athletes to active retirees. We have close relationships with several Gymnastic facilities and Soccer Clubs.

2+ years' experience preferred but all qualified applicants will be considered, especially individuals with outpatient spine and orthopedic experience. A desire to work with vestibular issues and /or concussions desired. We are a 100 % therapist-owned practice by a CFMT. We enjoy a fun and welcoming culture that strongly values patient engagement and the customer service experience. We offer a competitive salary, retirement with company match, health, dental and vision insurance available. Part time positions also considered.

Interested applicants please email a cover letter and resume, with your name in the subject line to martin@vcsst.com.

Job requirements:

- Virginia Physical Therapy License eligible
- Current CPR
- Strong manual therapy skills
- Excellent interpersonal and organizational skills
- Great sense of humor a plus
- Spanish Speaking a Super Plus!
